

Pet Tek

Designed specifically for playgrounds, sports fields, and heavy traffic areas. Play Tek boasts extremely durable blades with superior drainage. Paired with the correct base, this Turf Tek system is made to withstand the rigors of hundreds of kids to year-round team play, while maintaining blade integrity.

Specifications:

Face Weight	75 oz
Total Weight	102 oz
Pile Height	1.125"
Yarn Color	Field, Olive
Thatch Color	Tan
Tufting Gauge	3/8"
Primary Backing	7oz/yd ² Double Layer
Secondary Backing	Urethane, 20oz/yd ²
Yarn Shape	W / Wave
Yarn Cross Section	Polyethylene Monofilament
Fabric Construction	Tufted
Fiber Type	Polyethylene, Polypropylene
Fiber Mass	10800 Denier / 4400 Denier Thatch
Coating Type	Polyurethane
Perforations	Yes
Water Permeability	81.9 in/hr
UV Stabilized	Yes
Fabric Width	15 ft

Recommended for high traffic areas.

Natural quartz sand infill is recommended, 2 lbs per square foot.

With Heat Block technology, our turf is cooler than the competition's artificial grass systems.

Shine Block blade profile reduces the reflective quality of the fiber allowing our grass to appear more like a healthy, well-trimmed, natural lawn.
